

Learning to scuba dive has never been more convenient! Whether you're on the go or want to take it slow, now you can complete the knowledge development portion of the PADI Open Water Diver course online with PADI eLearning. It's a great match for your active schedule.

****IMPORTANT NOTE**** This eLearning is paid to PADI America in US Dollars. While the Aussie dollar is low it may be more cost effective to call us and we can post you a manual or CD Rom so you can still complete your theory in your own time, but won't be hit with the falling exchange rate!

Come in to our facility to complete your training: While you're working through the PADI Open Water Diver course online or after you complete all the segments, you can print your eLearning Record and bring it in to start your underwater adventures.

GO Dive: You'll learn and master dive skills from one of our highly-trained PADI Instructors during confined and open water dives. The skills you learn during these dives will prepare you to explore a whole new world. Start today on a lifetime of adventure and fun!
